MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Provision of Selected CIA Organization
and Functions Statement to IAC Agencies

REFERENCES: CIA Regulations [REDACTED] Figure 1 only) 25X1A
and [REDACTED] 25X1A

Problem:

1. To provide the IAC agencies with a sufficiently full and official statement of selected CIA organization and functions so that the cooperative efforts of the agencies may be based on mutual understanding and the DCI's duties respecting coordination more easily performed.

Discussion:

2. The IAC agencies have repeatedly requested information on CIA's detailed organization and components' functions. They desire this information to educate their personnel so that either joint enterprises or use of CIA services of common concern may be based on an accurate understanding of CIA's operation.

3. To date CIA has responded by inviting limited IAC participation in quarterly orientation courses or by holding special briefings for a limited number of high-level personnel.

Conclusion:

5. The cooperative efforts of the IAC agencies with CIA and Director's duties respecting coordination would be enhanced were the agencies informed fully and officially as to CIA's organization and functions.

Recommendation:

6. That the DCI approve distribution of referenced regulation (in single copy, not to be reproduced) to the chief of each IAC agency, to be held personally by such chiefs for briefing cleared personnel.
